

# Tubular Management Services

Flint Tubular Management Services has tubing and drill pipe inspection facilities throughout Western Canada. Each of our operating centres is staffed by experienced people, focused on the unique needs of today's oil and natural gas industry. Our customers benefit from our high-quality tubular products and services, and our employees' depth of experience and customer focus.

## Tubing Services

- Inventory management
- Pipe storage
- Full-length inspection services—transverse and longitudinal EMI, and continuous wall thickness
- Ring and plug gauge for API connections
- Visual thread and full-length drifting
- Full-length joint cleaning
- Plant and mobile rack inspection services
- On-site rig floor tubing inspection
- Pipe straightening
- Threading and coupling replacement

## Casing Services

- API 5B thread gauging
- Ring and plug gauge for API connections
- Visual thread and full-length drifting
- Full-length inspection services—transverse and longitudinal EMI, and continuous wall thickness
- Full-length ultrasonic wall thickness—100% coverage
- Full-length joint cleaning
- Threading and coupling replacement

## Drill Pipe and Collar Services

- Inventory management
- Pipe storage
- API RP7G full-length inspection—EMI, end-area UT, MPI, dimension check
- DS1 full-length inspection—EMI, end-area UT, MPI, dimension check
- Plant and mobile inspection services
- Full-length joint cleaning
- Pipe straightening
- Hardbanding
- Refacing (ring and plug gauge)
- Threading and machining
- API Spec 7 thread gauging

## Sucker Rod Services

- Complete inspection and reconditioning
- Rod guide manufacturing
- Inventory management

## Assembly Make-Up Services

- Portable bucking unit services
- Coupling replacement
- Float equipment—shoe track
- Bottom hole assemblies
- Casing/tubing liner hangars

## Coupling Modification Services

- Tubing or casing with special clearance couplings, special bevel couplings, or modified couplings
- Machining couplings for special clearance
- Machining couplings—beveling
- Machining couplings for installation of Teflon seal ring (modified Shamrock seals)

## Tubular Product Sales

- EZ Flow Lined tubing
- Fully inspected used tubing
- Coupling and pup joints
- New sucker rods
- Fully inspected reconditioned sucker rods
- Rod guides
- Heavy weight and drill pipe
- Subs and kellys

### **BROOKS, AB** 403.362.9786

Full-tube inspection up to 5½"  
Visual and drift all sizes  
Threading/coupling replacement up to 3½"  
Pipe straightening up to 7"  
Inventory management  
Drill collar inspection

### **EDMONTON, AB** 780.435.4373

Assembly make-up services  
Coupling modification services

### **ELK POINT, AB** 780.724.4010

Full-tube inspection up to 5½"  
Visual and drift all sizes  
Threading/coupling replacement up to 3½"  
Pipe straightening up to 7"  
Inventory management

### **ESTEVAN, SK** 306.634.8085

Full-tube inspection up to 3½"  
Visual and drift all sizes  
Threading/coupling replacement up to 3½"  
Sucker rod inspection  
Pipe straightening up to 7"  
On-site tubing inspection  
Inventory management  
Drill pipe full-tube inspection and repairs  
Drill collar inspection

### **FT. ST. JOHN, BC** 250.785.0077

Full-tube inspection up to 5½"  
Visual and drift all sizes  
Threading/coupling replacement up to 3½"  
Pipe straightening up to 7"  
Inventory management  
Drill pipe full-tube inspection and repairs  
Drill collar inspection

### **FORT NELSON, BC** 1.866.785.0077

Drill pipe full-tube inspection and repairs  
Drill collar inspection

### **GRANDE PRAIRIE, AB** 780.532.7211

Full-tube inspection up to 5½"  
Visual and drift all sizes  
Threading/coupling replacement up to 3½"  
Pipe straightening up to 7"  
Inventory management  
Drill pipe full-tube inspection and repairs  
Drill collar inspection

### **NISKU NORTH, AB** 780.955.3380

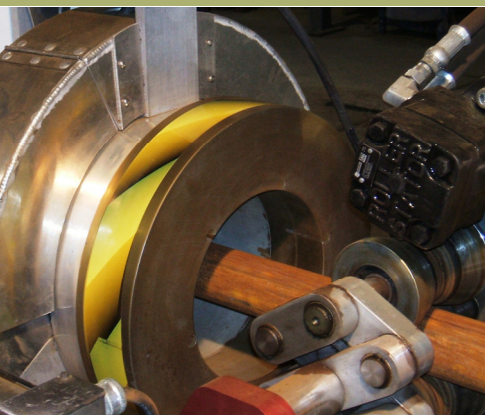

Full-tube inspection up to 3½"  
Casing inspection up to 14"  
Visual and drift all sizes  
Ultrasonic full-length inspection  
Threading/coupling replacement up to 10¼"  
Pipe straightening up to 7"  
Drill pipe full-tube inspection  
Hardbanding and machining  
Collar inspection  
Inventory management

### **NISKU SOUTH, AB** 780.955.7788

Tubing inspection up to 3½"  
Threading/coupling replacement up to 3½"  
EZ Flow Lined Tubing  
Lined tubing and sucker rod sales  
Sucker rod refurbishment  
Rod guide manufacturing  
On-site tubing inspection  
Inventory management

### **RED DEER, AB** 403.342.1880

Full-tube inspection up to 5½"  
Visual and drift all sizes  
Threading/coupling replacement up to 3½"  
Pipe straightening up to 7"  
Inventory management  
Drill collar inspection
